

CAPITAL CITY HORSE AND PONY CLUB

RIDE for the FUN of it!

The members of the Capital City Horse and Pony Club would like to offer you the opportunity to be a CCHPC sponsor in the manner of your preference. The goal of Capital City Horse and Pony Club (CCHPC) is to give anyone who would like to be around, learn about, practice with, or compete on their horse, the opportunity to do so in a fun and welcome family-friendly environment. Capital City Horse and Pony Club (CCHPC) is a non-profit organization, incorporated in 1964.

The club consists of approximately 500 members from a 150 mile radius, and special events draw contestants from across Nebraska, and neighboring states.

Numerous activities are held weekly in the spring, summer and fall months. Activities include Team Roping, Playdays, 4H Ring Practices, Team Sorting, Trail Challenges, and nationally sanctioned Barrel Races and Pole Bendings.

The club promotes learning opportunities and enjoyment of horses, livestock, and agriculture for ages 2 through 80. Families spend their weekends together sharing their love of horses. The club has spanned generations in promoting wholesome family fun in an outdoor, rural environment.
